

The Recreational Vehicle Aftermarket Association

A Message from RVAA President Piar Adams

Dear RVAA Member,

Great change is upon us all, and within RVAA. As of today, 11/3/08, I am stepping into the RVAA Presidency, as Mike McKay has resigned from Stag Parkway and RVAA.

First, I'd like to thank Mike for his contributions, dedication and commitment to RVAA. Mike sought to always act in the best interest of the association, and is a true leader. We wish Mike the best of luck in his future endeavors.

What an honor and privilege to serve you and the greater association as RVAA president. I am genuinely excited about this opportunity, and believe we can grow the association into a more meaningful and relevant association to all of us as members and the RV industry as a whole! My initial plan includes the further development and implementation of standards and best-practices. Anything RVAA can provide to the membership as a way to better manage and help your business grow in this challenging economy is a step in the right direction. I also want to delve into next year's conference so we can provide a rewarding, cost effective conference for all attendees.

My door is always open to your comments, suggestions and ideas, and I look forward to the coming year for RVAA. Feel free to direct your thoughts, suggestions and ideas directly to me at PAdams@carefreeofcolorado.com or to our Executive Director Karl Etshied at karl@rvaahq.com.

And as always, keep an eye on your association website, www.rvaahq.com for the latest updates and valuable association information.

Best Regards,

Piar Adams

Piar Adams
President RVAA
