

Cut Your Expenses

RVAA has negotiated special members-only discount programs on business services our members use every day. Many of our members could save the cost of their membership dues by participating in just one of the services listed below.

Property & Casualty Insurance

RVAA members can take advantage of discount group pricing on a variety of Property/Casualty Programs through the Hartford Company.

Healthcare Insurance

Health insurance is one of every employer's biggest expenses. RVAA has five different plans that can save your company money while providing a comprehensive selection of benefits.

Credit Card Processing

If your company is paying higher interchange fees than ever, take a look at RVAA's credit card processing through Solveras - in most cases, your savings will more than pay for your membership.

Rental Car Savings

Saving on your travel budget is significant to every business - and our deal with Hertz provides a high level of savings in addition to special perks at the rental car counter. Compare it with your rental car plan!

Freight & Air Shipping

The RV aftermarket depends on shipping to keep products moving and RVAA has negotiated deals with UPS, Roadway, DHL, USF and New Penn to lower your costs on this important element of your business.

Educational Savings

RVAA members receive special members-only pricing on an entire library of informational publications on the supply chain, distribution and forecasts through the NAW - the National Warehouse Distributors Association.
